Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

Thank you for your letter supporting the Presidential initiative for government workspace management reform and for your remarks concerning sensitivity of certain space information relating to your agency. It is encouraging to hear that the Central Intelligence Agency is already close to the space utilization goal.

GSA agrees that it is not appropriate to disclose detailed space information which might compromise your agency's mission. We, therefore, welcome the opportunity to discuss specific space management information on a classified basis. Your representative should contact Mr. Arthur O. Barton on 535-8120 to make the necessary arrangements for the briefing. For your information we have enclosed a copy of the space initiative kit previously forwarded to Mr. Harry E. Fitzwater, Deputy Director for Administration, on July 28, 1983.

Thank you again for advising us of your concerns and support for this important cost-cutting initiative. Your cooperation is greatly appreciated.

Sincerely,

(signed) PATRICIA Q. SCHOENI
Acting Administrator
